

## LOT 23 — Coil Packing / Paper Wrapping Machine

*Ex-Erasteel Vikmanshyttan, Sweden*

Hilco Industrial offers this **coil packing and paper wrapping machine** from the former Erasteel Vikmanshyttan plant. Limited technical documentation is currently available — inspection of the machine on site can be arranged for qualified prospects.

*Coil packing / paper wrapping machine, Erasteel Vikmanshyttan*

### What it does

A coil packing and paper wrapping machine for protective wrapping of finished coils prior to storage or shipment. Provides consistent, repeatable wrapping to protect strip surfaces from corrosion and mechanical damage during handling.

### Suitable applications

End-of-line coil packaging for HSS, tool steel, and specialty alloy strip producers. Suitable for any coil production operation requiring corrosion-protected packaging for storage or export shipment.

### Investment case

**Coil packing machine offered at a fraction of comparable new equipment cost. Inspection on site can be arranged — full condition assessment available to qualified prospects under NDA.**

**Inspection available.** Contact Hilco Industrial for site access. Full technical documentation, drawings and specifications are made available to qualified prospects under NDA.

**Scope and condition.** Equipment is offered on an as-is, where-is basis. Full inclusions and exclusions schedule, equipment drawings, and technical specifications are made available under NDA. Inspection of the site in Vikmanshyttan, Sweden, can be arranged for qualified prospects.
