

LOT 26 — KAESER CSD 105 T SFC Compressor (2018)

Ex-Erasteel Vikmanshyttan, Sweden — 2018, 55 kW, variable speed, integrated dryer, 56,890 h

Hilco Industrial offers a complete **KAESER CSD 105 T SFC industrial rotary screw air compressor** with integrated refrigeration dryer and SFC variable-speed drive, manufactured in 2018. The 55 kW unit delivers up to 8.5 bar working pressure and has 56,890 documented operating hours.

Make	KAESER Kompressoren SE, Germany
Model	CSD 105 T SFC
Year of manufacture	2018
Type	Rotary screw, SFC variable-speed drive
Motor power	55 kW
Motor speed	2,845 rpm
Max. working pressure	8.5 bar
Hours of operation	56,890 h
Integrated dryer	KAESER ABT105 (refrigeration)
Dryer max. pressure	16 bar
Air inlet temperature	3 – 60 °C
Ambient temperature	3 – 45 °C
Refrigerant	R-134a, 1.45 kg
Dryer YOM / serial no.	09/2018 / 3915-6673003

KAESER CSD 105 T SFC screw compressor, Erasteel Vikmanshyttan

What it does

A variable-speed rotary screw compressor with integrated KAESER ABT105 refrigeration dryer. The SFC drive matches output to actual air demand, reducing energy consumption versus fixed-speed units, while the dryer delivers clean, dry compressed air.

Suitable applications

General compressed air supply for industrial production — pneumatic actuators, tools, instrumentation and process air in medium-to-large production environments.

Investment case

A 2018 KAESER with documented hours, variable-speed efficiency and integrated dryer — offered at a significant discount to new.

Inspection available. Contact Hilco Industrial for site access. Full technical documentation, drawings and specifications are made available to qualified prospects under NDA.

Scope and condition. Equipment is offered on an as-is, where-is basis. Full inclusions and exclusions schedule, equipment drawings, and technical specifications are made available under NDA. Inspection of the site in Vikmanshyttan, Sweden, can be arranged for qualified prospects.
